

MORE THAN ONE MILLION AUSTRALIANS VOTED GREENS LAST ELECTION.
ADD YOUR VOTE TO MOVE AUSTRALIA FORWARD.

HOW PREFERENCES WORK

Your Greens vote is powerful - and it is never wasted. Why? If the Greens candidate is excluded, your **full vote** goes automatically to your next preference.

YOUR VOTE IS POWERFUL.

STANDING UP FOR WHAT'S RIGHT, NOT JUST WHAT'S EASY.

ASYLUM-SEEKERS: Holding Labor accountable to refugee policy based on fact, not hysteria. Ending expensive and inhumane offshore processing and remote island detention.

CLEAN ECONOMY: Kickstarting innovation so we'll be less dependent on polluting energy and finite resources. Igniting a renewable energy revolution for a sustainable 21st-century economy.

SMARTER TRANSPORT: Diverting millions in federal funds away from more congested roads and tollways, and into fast, convenient public transport.

EDUCATION: World-class education funding and outcomes for all students - from pre-school to university. It's the best investment we can make in our future prosperity.

PARENTAL LEAVE: Extending Labor's overdue 14 paid weeks to 6 months plus super.
