A portrait of Emily Webster, a woman with short brown hair and glasses, smiling. She is wearing a yellow top. The background is a blurred outdoor scene with trees and a body of water.

VOTE **1**

EMILY WEBSTER

FOR COUNCIL

LOCAL ACTION YOUR VOICE ON COUNCIL

Werte, I'm Emily.

I've been a part of the Mparntwe Alice Springs community for 12 years. I'm a public school teacher, living in Braiting with my partner, kids, dog and chooks.

I'm excited to run at this election because it's time for fresh voices on Council who will secure a good future for our kids and everyone in Alice Springs.

Before becoming a teacher, I worked as a community lawyer on welfare rights, women's rights and housing. I've served on the committees of the Arid Lands Environment Centre, the NT Working Women's Centre, Birth & Beyond, and Watch This Space.

Here are my priorities for the next four years:

- **Driving local climate action** with community solar and renewables, protecting our precious water, and getting Council's money out of fossil fuels.
- **Cooling and greening our town** with recycling and food waste services, shade for playgrounds, and cool places for people to escape the heat.
- Supporting **community sports, recreation and the arts.**
- **Building a healthy and strong town** with great services for young people, listening to the youth sector, and safer public spaces.
- Being your Green voice on every local issue, and making sure Council is **fair, transparent and listens to the community.**

Vote 1 Emily Webster - I will listen and work hard on Council to make a great future for Alice Springs.
