JIM BASTIRAS – A LOCAL VOICE FOR BRAGG

For too long, corporate and political interests have been put before the community. You can trust the Greens to put people and planet ahead of corporate profits.

KEEP BRAGG LIVEABLE

Promote a planning system that puts community first and protects local heritage. Say no to the Adelaide 500 V8s returning to the Adelaide Parklands.

ACTION ON THE CLIMATE CRISIS

Publicly owned 100% percent renewable energy provider to reduce prices and emissions. Reverse Labor's cuts to the Home Battery Scheme, Solar Switch and Council tree-planting programs.

PROTECT OUR ENVIRONMENT

Protect our significant trees and precious places like the Adelaide Park Lands from degradation and private development. Stop the White Rock Quarry expansion.

QUALITY PUBLIC EDUCATION

Increase the number of education places in our local public school zone.

“This election we have an opportunity to make our community matter. Bragg has been a blue ribbon seat for more than 50 years and our vote taken for granted. Your vote is powerful. This time vote Greens.”
